MIEX is designed to prepare the global business managers of tomorrow. With its commitment to delivering top-quality international management education, MIEX combines strategic insights with real-world, hands-on professional and business experiences. MIEX gives the possibility to continue the education with an optional second year abroad at the campuses in Paris or Berlin of the ICN Business School, where students can achieve a Master of Science degree (120 ECTS) .

Are you

- Curious and open-minded?
- Driven and proactive?
- Eager to learn and embrace new challenges?
- Ready to contribute diverse perspectives?
- Ambitious and enthusiast?
