

DEPARTMENT OF BIOMEDICAL AND NEUROMOTOR SCIENCES
Division of Prosthodontics and Maxillo-facial Rehabilitation

CARLO MONACO (June, 2016)

Carlo Monaco (June 21st 1967) holds a Doctor of Dental Surgery degree from the University of Bologna (1992). After graduation from the Dental School, he had worked as a scholarship holder at the Department of Oral Sciences, Division of Restorative Dentistry (1994-1996) and at the Division of Prosthodontics and Maxillo-facial rehabilitation (2000) of the University of Bologna. In 2003 he was invited as a visiting researcher to the Division of Cariology School of Dental Medicine, University of Geneva, Switzerland. In 2000 he obtained the master and in 2005 the PhD in Dental Materials at University of Siena. Since, 2006 holds the position of researcher and Aggregate Professor at University of Bologna, Department of Biomedical and Neuromotor Sciences, Bologna, Italy. He is a frequent presenter and lecturer at scientific meetings, and received several national (AIOP 2008; 2010) and international awards ConsEuro; 2008; Rochette 2016). He has held numerous continuing education courses in Italy and Europe. He has also reviewer of several scientific journals. He published over 50 papers and book chapters on national and international journals. In May 2013 he obtained a second PhD in Material Engineering at Faculty of Engineering at University of Bologna, Italy. He collaborate since the 2005 with Prof. Zucchelli in the clinical applications of the perio-prosthesis complex cases and in the implant rehabilitations.

Degrees Achieved

1992 Licentiate in Dentistry (DDS, Alma Mater Studiorum University of Bologna, Bologna, Italy).

1996 Assistant Professor (Contract Professor, Department of Oral Sciences Division of Prosthetic Dentistry

and maxillo-facial rehabilitation, Alma Mater Studiorum University of Bologna, Bologna, Italy)

2003 Master in Dental Materials (MsC) (University of Siena, Faculty of Medicine, Italy).

2003 Visiting Researcher (University of Geneva, School of Dental of Medicine, Division of Cariology, Swiss).

2004 Doctorate in Dental Materials (Ph.D) (University of Siena, Faculty of Medicine, Italy).

2006 Researcher and Assistant Professor at Faculty of Medicine (Department of Oral Sciences Division of Prosthetic Dentistry and maxillo-facial rehabilitation, Alma Mater Studiorum University of Bologna, Bologna, Italy).

2013 Doctorate in Material Engineering (Ph.D) at Faculty of Engineering Alma Mater Studiorum University of Bologna, Bologna, Italy).
