

## PERSONAL INFORMATION

PROF. LUCA PIETRANTONI

[✉ luca.pietrantonì@unibo.it](mailto:luca.pietrantonì@unibo.it)[🌐 www.unibo.it/docenti/luca.pietrantonì](http://www.unibo.it/docenti/luca.pietrantonì)[🗨 luca.pietrantonì2 \(skype\)](#)

Sex Male | Date of birth 26 11 1971 | Nationality Italu

## ACADEMIC POSITION

Full Professor - Department of Psychology – Alma Mater University of Bologna.  
Director of Erasmus Mundus Joint Master's Degree of Work, Organizational and Personnel Psychology since 2014

## EDUCATION

Post-doctoral fellowship in Social Psychology at the University of Parma (prof. Fruggeri)  
Visiting scholar at the Department of Psychology – University of Aberdeen (UK) – prof. Rhona Flin, Industrial Psychology (April 2009, Aberdeen)  
Visiting scholar at Department of Psychology – University of Sussex (UK) - prof. John Drury, research project on “crowd psychology e disaster behavior” (March 2008, Brighton)  
Visiting scholar at Department of Psychology - University of Leicester (UK) prof. Marco Perugini on Structural equation modeling and multivariate statistics (Jan- May 2000, Leicester).  
XII PhD Program in Health Psychology (3 years) University of Florence (prof. Sirigatti).  
Degree in Psychology (University of Padua) in 1995 with 110/100.

## MAIN AREAS OF RESEARCH AND CONSULTATION:

Human factors, risk and safety; Acceptance of technology and human-technology coagency; Driving behavior and traffic safety; Crisis and disaster psychology; Training and assessment in high-risk organizations.

## GRANTS

## International grants

- Partner of the Horizon 2020 sub-project “StepByStep” (Eurobench) on human-exoskeleton interactions. Duration: 15 months (2019-2020).
- Partner of the Horizon 2020 European Project “Perceptions” on skills of border guards. Work Programme Secure Societies. Duration: 42 months (2015-2018).
- Coordinator of the Horizon 2020 European Project: XCYCLE “Advanced measures to reduce cyclists' fatalities and increase comfort in the interaction with motorised vehicles” (Grant Agreement n. 635975). Duration: 42 months (2015-2018). Consortium by 9 partners including Volvo Trucks and DLR.
- Principal investigator of the UNIBO Research Unit. Participation as a partner to the European Project “Fit for life: a local HEPA Framework for elderly in European cities & regions”. Coordinator: Municipality of Stuttgart. Reference: EAC/S06/2012/043. Co-funded by the European Union under the Preparatory Action in the field of sport 2012. Duration: 14 months (2014).
- Principal investigator of the UNIBO Dept. of Psychology Research Unit. University of Bologna as coordinator in the FP7 Eu-project “THESEUS - Innovative coastal technologies for safer European coasts in a changing

climate." Coordinator: Alma Mater Studiorum – University of Bologna. Duration: 48 months. Programme: FP7- ENVIRONMENT INCLUDING CLIMATE. Topics.

- Principal investigator of the UNIBO Dept. of Psychology Research Unit. Participation as a partner to the H2020 project BRIGAD on social readiness of technological innovations in climate change. Duration: 36 months (2016-2020).
- Participation as WP leader of UNIBO to the FP7 Eu-Project "BESECU: Behavior Security and Culture. Human behaviour in crisis situations: A cross cultural investigation to tailor security-related communication". End date: 31/12/2011. Duration: 44 months. FP7- SECURITY.
- Member of Advisory Board in the Project "Ahead Against homophobia European local administration devices". Fundamental Rights and Citizenship (2007-2013)

#### National grants

- Co-Coordination of the project PRIN "Observing, modelling and TEsting synergies and TRade-offs for the adaptive management of multiple Impacts in coastal Systems (TETRIS)". Coordinator: Alma Mater Studiorum – University of Bologna. Duration: 2013-2015.
- Principal Investigator of a research project on gender-based discrimination. Agreement between Department of Psychology of the University of Bologna and the Municipality of Bologna. Duration: 8 months (2014).
- Principal Investigator of a research project on stereotypes based on gender and sexual orientation. Agreement between Department of Psychology of the University of Bologna and the Municipality of Modena. Duration: 10 months (2015).
- Principal Investigator of a research project on violence and discrimination. Agreement between Department of Psychology of the University of Bologna and the Municipality of Imola. Duration: 8 months (2015).
- Principal Investigator of a training project on LGBT issues in the public administration. Agreement between Department of Psychology of the University of Bologna and the Municipality of Rome. Duration: 12 months (2014-2015).
- Participation to the project funded by the Region Emilia Romagna "Communication plan for stakeholders on the promotion of physical activity" on policy makers and health promotion. RU head: prof.ssa Bruna Zani, Università of Bologna. Duration: 24 months (2012-2014).
- Participation to the project by the Ministry of Environment "Health and environmental risk perception, with a focus on depleted uranium. Guidelines for institutional risk communication" on risk perception and communication. RU head: prof.ssa Bruna Zani, Università of Bologna. Duration: 24 months (2009-2011).
- Principal Investigator of a training project on organizational resilience following earthquakes "Supporto organizzativo post-sisma rivolto agli operatori degli ospedali". Agreement between Department of Psychology of the University of Bologna and the Azienda Usl in Modena. Duration: 12 months (2012-2013).
- Member of the Research Unit PRIN "The individual as an active agent and social capital. Research, intervention and training of individual and social competences". Coordinator: Norma de Piccoli, University of Turin (2005-2007).
- Member of the Research Unit PRIN PRIN "Life contexts, critical events and social support: effects on coping strategies and well being in adolescents and young adults". Coordinator: Massimo Santinello, University of Padua (2003-2004).
- Member of the Research Unit PRIN PRIN "Sense of community, psychosocial well-being and forms of participation". Coordinatore: Bruna Zani, University of Bologna (2001-2002).
- Member of the Research Unit PRIN "Psychosocial factors of the perception of risk and security in the urban context". Coordinator: Bruna Zani, University of Bologna (1999-2000).

## TEACHING ACTIVITIES

### PhD program

- "EU project management" in the PhD program, Department of Psychology, University of Bologna. From 2015 –

present.

- “Mediation and moderation in psychological research” , PhD program, Department of Psychology, University of Bologna. From 2012 - present.

### Master's courses

- Safety and Human Factors (in English), Erasmus Mundus Joint Master's Degree of Work, Organizational and Personnel Psychology, Department of Psychology, University of Bologna.
- New trends in Work, Organizational and Personnel Psychology (in English), EMJMD Work, Organizational and Personnel Psychology, Department of Psychology, University of Bologna. From 2011 to 2017.
- Research methods and scientific writing, EMJMD Work, Organizational and Personnel Psychology, Department of Psychology, University of Bologna. From 2011 to 2017.
- Community analysis, Department of Psychology, University of Bologna. From 2011 to 2016.
- Research methods and scientific writing, Department of Psychology, University of Bologna. From 2011 to 2016.
- Individuals, groups and organization, Faculty of Psychology, University of Bologna. From 2007 to 2011.
- Social Psychology, Military Academy of Italy, University of Modena –Reggio Emilia. From 2004 to 2010.
- Crisis psychology, Faculty of Psychology, University of Bologna. From 2004 to 2008.
- Forensic Psychology, Faculty of Political Science, University of Bologna. From 2004 to 2008.
